Weekly Donations to the Church

The three most important considerations for donating:

1. **Your weekly donations to the Church should be <u>planned</u>.** It should not be what's left at the end of the week or month. Make God's gift the first thing you give!
2. **Your giving to the Church should be proportionate.** What one gives should be in proportion to their individual income and needs. A good percentage would be at least 2% of income, but 5% would be better.
3. **It must be sacrificial. Christ gave his life for us.** The priests and religious give their lives for us. Please make a sacrifice.

""Non est in alio aliquo salus—there is no salvation outside of Our Lord." Those who work to save souls must found their actions on this principle of the capital grace of Our Lord. Anything done without regard for Our Lord, either directly or indirectly, is vain and in no way profitable for eternal salvation."
- Archbishop Marcel Lefebvre
