BOOK OF THE MONTH:

The Discovery of the Secret of LaSalette is a book that gives the secret messages revealed by the Blessed Virgin Mary to Mélanie Calvat and Maximin Giraud during the 1846 La Salette apparition, focusing on newly discovered original writings from the Vatican Archives that clarify earlier, often sensationalized versions. The book aims to resolve confusion around these apocalyptic prophecies by presenting the authentic, foundational texts, including those sent to Pope Pius IX, and offers analysis from the authors on these significant, historically important religious messages.

It is now for sale in our Bookstore!

“The Church asks missionaries to preach the gospel to the whole world and to carry the grace of Our Lord to souls, and to transform souls in Our Lord. This shows the importance of the holy sacrifice of the Mass, which is the continuation of the sacrifice of the Cross and the application of Our Lord Jesus Christ’s Blood to souls which renews them and transforms them by the reception of the Holy Eucharist.”
- Archbishop Marcel Lefebvre
