FR. HUNTER UPDATE

Thank you to all who have been praying for Fr. Hunter and helping him financially. He has now left the rehabilitation center due to lack of continued support by his insurance company. The facility was just getting too expensive... Father has made great progress in his physical therapy but he still needs to continue exercising with a therapist. He is currently staying at the house of one of our faithful in Post Falls and hoping to find another rehabilitation center or physical therapist who could work with him there in Idaho. *Please keep him and his situation in your prayers.* We hope that he will be able to return to Veneta soon, but when he does come back to Veneta, the priory will certainly need some help in assisting him.
