Just how weak the faith has become may be seen from the fact that the faithful don’t seem to have the need anymore to use chant as the most lofty form and expression of their prayer.
(Dom Gueranger - 1870).

Here are a few new rules for St. Thomas Becket taken from the rubrics of the clerical choir and applied to the laity in order to clarify a few confusing parts at High Mass.

- From the prayers at the foot of the altar until the end of the Kyrie - KNEEL.
- STAND when the priest intones the *Gloria in excelsis Deo*.
- STAND when the server comes to incense the congregation, not when the priest is incensed.
- Sanctus – STAND until finished singing
- Agnus Dei -STAND until finished singing
